

We are delighted to offer convenient and affordable transportation services to our students in and around the picturesque town of Dalhousie. Our school takes pride in providing safe and reliable transport options through our fleet of five buses: Gandhi Chowk, Subhash Chowk, Dalhousie Cantt, Banikhet, and Bathri. Each of our buses is equipped with certified conductors and a teacher incharge, ensuring a secure and pleasant journey for all our students. We adhere to strict safety and regulatory norms to guarantee the well-being of our passengers. The child's commute to and from school is as worry-free as possible, allowing them to focus on their education and enjoy their time at our school. We prioritize safety and convenience in all aspects of our services, including transportation.
