

Position: Kindergarten & Primary School Educators

Location: Dalhousie Public School, Siswan, New Chandigarh

We are seeking enthusiastic, caring, dedicated and creative educators to join our Junior Wing who are passionate about early childhood education and primary school teaching, and who will provide a nurturing, stimulating, and joyful learning environment for our young students.

Role Overview:

- Understand how learning happens.
- Develop learning environments that focus on social, emotional, cognitive, and physical growth of young learners to help them become independent learners.
- Use creative teaching approaches to learning to engage students in foundational skills such as language, literacy, mathematics, social studies and personal development.
- Foster a warm, welcoming, and inclusive classroom atmosphere that supports positive student behaviour and encourages curiosity, exploration and thinking.
- Assess and track student progress through observation, informal assessments, and student work, providing feedback and guidance to both students and parents.
- Establish effective classroom management strategies that promote positive behaviour and create a safe and supportive learning environment.
- Collaborate with other educators, staff, and parents to ensure that students' needs are met and to support a well-rounded safe educational experience.
- Stay current with best practices and pedagogy.

We Are Looking For:

- Bachelor's or Master's degree in ECE/ Elementary Education/related field.
- B.Ed. or teaching certification is preferred.
- Minimum 3-5 years of experience in play-based or inquiry-based learning.
- Deep understanding of child development and early learning principles.
- Strong communication, organizational, and classroom management skills.
- A nurturing, patient, and compassionate approach to working with young children.
- Ability to collaborate effectively with colleagues, parents, and students.
- Creative, flexible, and adaptable to the changing needs of young learners.
- Familiarity with using educational technologies and interactive learning tools.
- Commitment to fostering a diverse, inclusive, and supportive learning environment.
- Enthusiasm for creating a fun, engaging, and enriching classroom experience.
