A committed and qualified educational leader with a love for learning with a global perspective, who is able to inspire both students and staff to reach their full potential in an environment that values diversity, innovation, and holistic development, while ensuring academic rigor and character development.

Role Overview : The Head of Junior Wing will be responsible for –

- The academic, pastoral, and operational management of Early Years to Grade V.
- Maintain a safe, nurturing environment where all students can thrive academically, socially, and emotionally.
- Promote a positive, inclusive school culture that values each child's potential.
- Ensuring high standards of learning and teaching within the spirit of the school's vision and values.
- Develop and implement a dynamic curriculum including documentation, reporting, analysis and evaluation of learning experiences with a focus on inquiry-based learning, creativity, and critical thinking.
- Develop pedagogical and assessment practices to support student progress.
- Foster close relationships with the parent community, ensuring open communication.
- Serve as a member of the school's Leadership Team and develop the strategic plan.
- Work collaboratively with the Principal and the Management.

We Are Looking For: A qualified and experienced educator with 10 years or more of primary school leadership experience with a Bachelor's degree in Education and a Master's degree in the teaching subject, who -

- Possesses strong knowledge of modern educational practices and the ability to implement innovative approaches to teaching and learning.
- Familiar with various international curricula (e.g., IB, Cambridge)
- Someone who is open-minded, adaptive, reflective, can work in a team and is skilled at building strong relationships with students, staff, and parents.
- Is a passionate advocate for student-centred learning, understands diverse learning needs of children and has the experience in guiding young learners through the complexities of both academic and personal growth.
- Excellent communication, interpersonal, organizational, and problem-solving skills with fluency in English and Edtech.
